people come into our lives for a reason
bringing something we must learn
we are led to those who help us most to grow
& we help them in return
i don't know if i believe that's true
but i know i'm who i am today

because i knew you

And oh, there is no power on Earth, or below
That could ever break our hearts Or shake our souls
And when you Lay Me Down you'll only bury bones
'Cause oh, my heart and soul are going home

I get that it was a joke, I get that, its a pretty good joke but jokes like that about religion and what not some people might take that offensive but I understand that its a joke. Just be more careful on the jokes you choose next time i guess.
